

Chat Rules

Just booked your trip and buzzing to get to know your fellow #topdeckers?

Our chat function allows you to introduce yourself to your new travel buddies before you've even set foot on the coach, so you can start coordinating your travel plans straight away.

It's also really useful for communicating with the group while your trip is in full swing – and for planning the next grand adventure once things have wrapped up.

To ensure that you get the most from the chat function, we ask all users to be mindful of the following:

- DO set up your profile and introduce yourself to your fellow #topdeckers. Get a jump on that whole friendship thing and get to know each other before the trip begins.
- DO feel free to chat. Ask questions, help each other out and get pumped for the adventure ahead. You're all in this together!
- DO respect other members and differences of opinion. We love positive vibes, so please don't post anything abusive, indecent, obscene, discriminatory or offensive.
