## ABOUT YOUR TRIP NOTES

These Trip Notes contain everything you need to know before your trip departs, including where to meet, what to bring and what you can expect on your trip of a lifetime! Also, you can easily download and print this document off so you can check off the lists or bring it with you when you travel.

Please do bear in mind though, some points should be taken as a guide only - after all, everyone's different! For example, daily spending money and clothing lists can vary greatly from one person to the next so don't be alarmed if you don't expect to spend (or even wear) so much! However, we're sure you'll find the information in general to be very useful.

## Meals

Your included meals are detailed in the 'More Inclusions' section of this document.

We aim to make sure that breakfasts are included every morning in the accommodation (except on the first morning). They are usually 'continental breakfasts', which are typical in most countries. A typical breakfast may consist of cereals with milk or yoghurt, bread, croissants, cold meats, cheese and a range of spreads, with fruit juice, tea or coffee to drink. It is rare to get a hot breakfast in Asia. Though, on some occasions, there may be some hot food available as well. Please bear in mind that food varies across each country we visit in Asia.

Included evening meals are in local restaurants or in the included accommodation. In most cases, table water is provided with the meals and if you wish to purchase additional drinks you can do so at your own expense.

If you have any dietary requirements, we will make every effort to cater to your specific needs as long as you advise your travel agent or Topdeck Customer Service Consultant when you book. You can also make note of your requirements in the Topdeck app when you check in (refer below). Please be aware that although we will do everything in our power, we cannot guarantee that every restaurant we eat in will be able to cater to all of your dietary needs, particularly in Asia. Also, we cannot cater for tastes or dislikes, as most of our included evening meals feature a set menu.

## Topdeck Travel App

## *Passenger safety*

One of the best parts of travelling is experiencing the nightlife and entertainment each city has to offer. However, amidst the fun and excitement, it's important to be aware of your surroundings and personal safety as well. Before you hit the road with us, be sure to familiarise yourself with the following safety information.

When you're on a night out, remember to avoid walking alone, particularly through deserted areas like beaches and back streets. Always stick together, take a registered taxi where possible, and keep a note of your accommodation details so you can find your way back to your fellow Topdeckers if you become separated. It's also a good idea to get your Topdeck trip mates' mobile numbers in case you need to get hold of them while out and about.

In some countries, alcoholic measures can be considerably larger than what you may be used to. Try to keep track of what you're drinking, and if you see one of your trip mates looking a little worse for wear, take them back to your accommodation. Never leave your drink unattended.

It's also important to be aware that what you might consider harmless flirting may be interpreted differently in some countries. Be yourself and have fun, but stay savvy – you don't want to find yourself in an uncomfortable situation.
