DISCOVER SRI LANKA

TRIP CODE:
AXSLNN-1

TOPDECKER, meet Asia

Is this trip for me? INTRIGUING. NATURAL. UNFORGETTABLE.

If you've ever Googled 'beach holidays' chances are Sri Lanka made the list. And yep, the beaches are pretty bloody good. But trust us, there's a sh*t load more going on in this South Asian country than just surf, sand and sunburn. From ancient rock fortresses to Dutch colonial cities. Elephant safaris in lush national parks to whale watching off the coast. Scenic train rides through tea plantations to awe-inspiring hikes at sunrise. This trip uncovers the side to Sri Lanka you didn't know existed.

YOUR ITINERARY

DAY 1 | NEGOMBO, SRI LANKA

Touch down at Bandaranaike Airport, scan the crowd for your airport transfer (they'll be holding the sign with your name obv's) and take a load off – this is the start of 11 days of fuss-free, flavour-filled fun. Get amongst the seaside vibes early with optional visit to the local fish market. Watch the locals paddle their fishy oruvas (canoes) into the lagoon and tuck into some fresh AF seafood while you're at it. If you've got time, give any jet lag the flick with a cycle around the Dutch-style canals and Buddhist temples. And tonight? Time to meet the gang over an included dinner. Cheers to that.

MEALS:

+ Dinner

INCLUDED TODAY:

+ Airport transfer

OPTIONAL ACTIVITIES:

+ Visit the local fish market (no additional cost)

DAY 2 | NEGOMBO TO SIGIRIYA

Down your breakfast and wave goodbye to the sea (for now) – we're headed to Sigiriya: the ancient rock-star of Sri Lanka. FACT: this place was built by the short-lived King Kasyapa over 1600 years ago. Lace up your Nikes and prep yourself for a climb as we tackle Pidurangala Rock. A popular spot for sunrise and sunset, the top of this baby sports 360-degree views of the surrounding valleys and Sigiriya Rock – so the trek is 100% worth it. BTW you don't have to choose between the two – we've penciled in enough time to catch the sunset and a sick sunrise tomorrow too. Thank us later.

MEALS:

+ Breakfast

INCLUDED TODAY:

+ Hike at Pidurangala Rock

DAY 3 | SIGIRIYA

Rise and shine – this is one early morning wake up you'll be glad for. We'll try beat the heat and head up the dramatic rocky outcrop of Sigiriya for sunrise. It's a decent climb but 110% worth it. Trust us. Tuck into breakfast at the top and take some time to explore the magnificent rock fortress and views of the surrounding plains. Later, we'll head to Dambulla Cave Temple – a World Heritage listed monastery that's been a pilgrimage site for over 2000 years. Later, there's an optional Jeep safari through Minneriya National Park on the cards – aka a wildlife-lovers wet dream.

MEALS:

+ Breakfast

INCLUDED TODAY:

+ Visit Sigiriya Rock fortress
+ Visit the Dambulla Cave Temple

OPTIONAL ACTIVITIES:

+ Minneriya Jeep safari: from 30 USD

DAY 4 | SIGIRIYA TO KANDY

We're headed to the second largest city in Sri Lanka this morning. In the arvo, we'll head to Dalada Maligawa – that's Temple of the Tooth to you and me. Tooth Temple got you WTF-ing? Well you read right, this temple houses a relic of Buddha's tooth so it's kinda important. Then: jump on board a tuk tuk for a (nail-biting) ride around the city and picturesque lake.

MEALS:

+ Breakfast

INCLUDED TODAY:

+ Visit the Temple of the Tooth
+ Tuk tuk tour around Kandy

DAY 5 | KANDY TO ELLA VIA NUWARA ELIYA

Today's letter is T. We'll stop in at Nuwara Eliya en route to Ella to check out a working tea plantation so you can immerse yourself in the sweet aromas of Sri Lankan tea culture. Sip on a tasting experience and try a cup or two of the world-famous Ceylon. Then, it's all aboard a scenic train ride to Ella. Forgot your camera? You're going to regret that.

MEALS:

- + Breakfast
- + Lunch

INCLUDED TODAY:

- + Tea plantation visit and tea tasting experience
- + Scenic train ride from Nuwara Eliya to Ella

DAY 6 | ELLA

Get your feed of pani pol (Sri Lankan pancakes) at breakfast because we've got a day of hiking mapped out for you. Walk along Little Adam's Peak through tea plantations and rocky mountain paths, you'll be rewarded for all your hard work with some pretty spesh views. Grab a quick snap of the famous Nine Arch Bridge before heading back to the hotel. Then: lunchtime! We'll head to a local home for a lesson in cooking traditional Sri Lankan curries and desserts from the pros. Spend the afternoon nursing your food baby back at the hotel or head out and explore – it's up to you.

MEALS:

- + Breakfast
- + Lunch

INCLUDED TODAY:

- + Hike Little Adam's Peak
- + Photo stop at Nine Arch bridge
- + Cooking class at a local home

DAY 7 | ELLA TO UDAWALAWE

Been practising your best David Attenborough impersonation? We hope so. Today, we're headed to Udawalawe National Park for more wildlife than you can point a camera lens at. On our Jeep safari you'll have plenty of time to search for lounging leopards, creepy-looking crocs, sloth bears and wild elephants grazing across the savanna. If birds are more your thing, there's a heap of them too. Tonight, we're spending under the stars at an awesome-AF big game camp (Google it, trust us). Tuck into dinner with the crew and share holy sh*t moments of the day around a crackling campfire.

MEALS:

- + Breakfast
- + Lunch
- + Dinner

INCLUDED TODAY:

- + Udawalawe National Park Jeep safari
- + Overnight stay at Udawalawe Big Game Camp

DAY 8 | UDAWALAWE TO MIRISSA

Enjoy a sleep in this morning before we make our way to the coastal town of Mirissa (see, told you we'd be back). This is your chance to sit back and lap up all the palm-fringed, white-sand vibes so crack open a fresh coconut, find yourself a hammock and let the island life soak in. You could build up an appetite with an optional surfing lesson along Mirissa Beach or lap up the sunset views from the coconut farm up the road. Either way, you've got plenty of free time to do whatever you want so make the most of it.

MEALS:

+ Breakfast

OPTIONAL ACTIVITIES:

+ Surfing lesson or board hire
from: prices available locally

DAY 9 | MIRISSA

Oh what's that? A whole day to do whatever the hell I want? Awesome. If you're here between November and April though, we recommend jumping on an optional whale watching tour to spot the migrating blue whales off the shore. Largest animal in the world, you know. You can throw some shakas at Weligama. Top up the tan along Marissa beach. Visit Coconut Island (watch your head). Or pull up a pew at a beach bar and take it all in. This is what you came for.

MEALS:

+ Breakfast

OPTIONAL ACTIVITIES:

+ Whale watching tour: from
115 USD (Nov – Apr)

DAY 10 | MIRISSA TO GALLE

Get up early for a sunrise stroll on the beach before we move on to the historic city of Galle. We'll swap six wheels for two as we cycle around the surrounding local villages – taking in the green fields, peaceful lakes and meeting some of the locals getting on with their day-to-day. With over 400 years of rich history, exploring the perfectly preserved colonial township of Galle is a must. Later, it's off to the Galle Dutch Fort for an evening walk around this UNESCO Heritage-listed site before we say farewell over one last supper with the gang. You've got Whatsapp, right?

MEALS:

+ Breakfast

PASSENGER SAFETY

NIGHTS OUT

One of the best parts of travelling is experiencing the nightlife and entertainment each city has to offer. However, amidst the fun and excitement, it's important to be aware of your surroundings and personal safety as well. Before you hit the road with us, be sure to familiarise yourself with the following safety information.

When you're on a night out, remember to avoid walking alone, particularly through deserted areas like beaches and back streets. Always stick together, take a registered taxi where possible, and keep a note of your accommodation details so you can find your way back to your fellow Topdeckers if you become separated. It's also a good idea to get your Topdeck trip mates' mobile numbers in case you need to get hold of them while out and about.

In some countries, alcoholic measures can be considerably larger than what you may be used to. Try to keep track of what you're drinking, and if you see one of your trip mates looking a little worse for wear, take them back to your accommodation. Never leave your drink unattended.

It's also important to be aware that what you might consider harmless flirting may be interpreted differently in some countries. Be yourself and have fun, but stay savvy – you don't want to find yourself in an uncomfortable situation.

RESPECTING FELLOW PASSENGERS

Here at Topdeck, we're all about inclusivity. We want to make sure that everyone has a great time on our trips, and that everyone feels like they're part of one happy Topdeck family.

What we're not about is excluding people or making them feel like they don't belong – that's just not what families do. That's why we always encourage Topdeckers to be kind and courteous to their fellow passengers. The golden rules? Always remember to respect each other's space, be mindful of causing excessive noise in shared accommodation and treat others how you'd wish to be treated yourself. Easy!

DRUG USE

Topdeck has a strict zero-tolerance drug policy. Passengers should not bring any illegal substances onto the Topdeck coach or into any of the accommodation we stay in on our trips. This includes marijuana, even if it is legal in some of the states your trip passes through. If you are found in possession of drugs, you will be removed from the trip. All instances of drug possession will be reported to Topdeck Head Office, who may consider alerting the relevant authorities.

REMEMBER – if you are found in possession of drugs, not only could you risk getting in trouble with the local police, but our Driver will also be held responsible if drugs are found on the Topdeck coach. Trust us, you wouldn't want that to happen to any of our Drivers – they're awesome.

MENTAL HEALTH AND WELLBEING

Culture shock, homesickness, random periods of feeling down – these things happen and are totally normal. You can rest assured that if you're feeling low, your Topdeck crew will do their utmost to cheer you up again.

Measures you can take to look after your mental health and wellbeing while on the road with us are:

- + Call home. Sometimes it's nice to hear a familiar voice and have a good old-fashioned catch up with your loved ones
- + Eat well. Never underestimate the power of a good, wholesome meal. Nobody feels at their best when they're hungry!
- + Drink responsibly. Not only will you swerve the dreaded hangover, but by keeping an eye on what you drink, you could also avoid getting into any potentially uncomfortable situations
- + Talk to your Trip Leader. Don't forget, they're probably far from home, too – so they're sure to know of some tried-and-tested ways to beat the blues
- + Integrate with your fellow Topdeckers. This one is key! The more fun you're having on your trip, the less likely you are to feel homesick (trust us).

HOW TO BE A RESPONSIBLE TRAVELLER

Responsible travel isn't difficult to achieve. With a little conscious thought and preparation, you can have an awesome holiday AND have a positive impact on the places you visit. Sweet!

Here are five things you can do to ensure you're travelling responsibly:

- + Conserve water. You know the drill – reuse your hotel towels, take short showers and remember to turn off the tap when you're brushing your teeth
- + Reduce your waste. Ditch the plastic bag, refuse unnecessary packaging, dispose of your waste responsibly and recycle as much as possible

- + Go local. Hunt down locally owned and operated restaurants and bars, shop in local markets and book tours and activities run by local guides
- + Consider the wildlife. Avoid any attractions that involve closely engaging with wild animals
- + Respect local people and culture. Obeying local laws is a given – but also remember to dress and behave in a manner appropriate to the community. Be polite and keep an open mind!

OTHER INFORMATION

INSURANCE

Before your trip departs, it's compulsory for all passengers to take out comprehensive travel insurance covering cancellation, medical expenses (including repatriation), loss or damage to baggage and personal belongings, money and personal liability.

World Nomads provides comprehensive travel insurance for people from over 140 countries. For more information, visit www.topdeck.travel/travel-insurance.

PASSPORTS AND VISAS

Please make sure your passport is valid for at least six months after the last day of your trip. Some countries will refuse entry if you do not have at least six months validity remaining on your passport after your departure date. Depending on your nationality, you may require a visa to enter certain countries.

It is your responsibility to obtain visas prior to your trip departure. To determine which visas you'll need, you can consult either your own government's website or the government websites of the countries in which you will be travelling.

PLEASE NOTE: Some visas can take up to six weeks to acquire, so don't leave it until the last minute. Also, bear in mind that the validity of a visa often runs from its date of issue rather than the date of entry into the country. Please check with the appropriate embassy/embassies prior to departure, as requirements do change periodically.
