Meals

Breakfasts are included every day (except on the first morning). Included meals will be a combination of those prepared by Topdeck On-Site Chefs, local restaurants and places in which we stay.

If you have any dietary requirements we will make every effort to cater to your specific needs as long as you advise your travel agent or Customer Service Consultant when you book, or make note of this in the Topdeck app when you check in (refer below). However, please be aware that although we will do everything in our power to arrange it, we cannot guarantee that every restaurant we use will be able to cater to all dietary needs, particularly in Eastern Europe. We also cannot cater for tastes or dislikes, as most of our included evening meals feature a set menu

Tipping

Your Topdeck crew never expect tips themselves and will not ask for any; that's not what friends do! We also know how much tipping can cost you. So go ahead, spoil yourself with the money you will save by travelling with Topdeck (just don't forget Mum's souvenir).

Topdeck Travel App

Our travel app is **AVAILABLE TO DOWNLOAD BEFORE YOU TRAVEL**. With a range of cool features including a Currency Converter, Budget Planner, Check-In tool and Social Timeline (so your next #TravelEnvy post is never too far away) you can plan your trip like a pro.

Think of it like your very own Topdeck Trip Leader, always on call with the latest info, weather, maps and city guides to give you the trip of a lifetime, all in the palm of your hand.

Passenger safety

One of the best parts of travelling is experiencing the nightlife and entertainment each city has to offer. However, amidst the fun and excitement, it's important to be aware of your surroundings and personal safety as well. Before you hit the road with us, be sure to familiarise yourself with the following safety information.

When you're on a night out, remember to avoid walking alone, particularly through deserted areas like beaches and back streets. Always stick together, take a registered taxi where possible, and keep a note of your accommodation details so you can find your way back to your fellow

Topdeckers if you become separated. It's also a good idea to get your Topdeck trip mates' mobile numbers in case you need to get hold of them while out and about.

In some countries, alcoholic measures can be considerably larger than what you may be used to. Try to keep track of what you're drinking, and if you see one of your trip mates looking a little worse for wear, take them back to your accommodation. Never leave your drink unattended.

It's also important to be aware that what you might consider harmless flirting may be interpreted differently in some countries. Be yourself and have fun, but stay savvy – you don't want to find yourself in an uncomfortable situation.
