DAY 1 | REYKJAVIK, ICELAND

With landscapes like this, Iceland might as well be its own solar system. Make your own way to your accommodation for a date with your Trip Leader and fellow #topdeckers. Make friends, swap travel stories and grab some drinks. We've got an introduction to Iceland's nightlife on the cards tonight. Beer tasting - we're ready for ya!

MEALS:

+ Dinner

INCLUDED TODAY:

+ Beer tasting & introduction to
Iceland's nightlife

DAY 2 | REYKJAVIK

Off to the Blue Lagoon today. Sounds like something out of Disney and looks like something from space. Lunar landscape. Natural geothermal pools. The chance to explore and swim. In winter. Outside. Iceland is awesome. As if life couldn't get any better than that, wait 'till tonight. We're off chasing the Northern Lights. Visibility can't be guaranteed but if you nail that shot you won't need to take another photo again. Ever.

MEALS:

+ Breakfast

INCLUDED TODAY:

+ Visit the famous Blue Lagoon
+ Northern Lights tour

DAY 3 | REYKJAVIK

Swap natural wonders for city life with a free day in über-cool Reykjavik. Check out the views from Hallgrímskirkja then hit up the half-submerged City Hall and grab a coffee with half your body under the waterline. Surreal. If you're a nature-lover, don't miss the optional Golden Circle tour for 300 kilometres of the very best Icelandic landscapes (see also: the UNESCO World Heritage Site Thingvellir National Park). Come nightfall, there are foodie haunts abound. Local delicacies like smoked sheep head or rotten shark = a little too much for most. But we're up for a bite from the world's best hot dog stand. Bill Clinton allegedly rates it. For something even more local, head to the other end of the lake for great food and great views. Definitely worth the trip. But be warned, the best nightlife starts late. Like midnight. Dancing shoes at the ready!

MEALS:

+ Breakfast

OPTIONAL ACTIVITIES:

+ Excursion to the famous Golden
Circle

DAY 4 | REYKJAVIK

Farewells today. But don't get too upset. You ticked off some epic bucket list activities. Keen for round two?

Meals

Breakfasts are included every day in the hotel (except on the first morning). They are usually 'continental breakfasts', which are typical in most European countries. A typical breakfast may consist of cereals with milk or yoghurt, bread, croissants, cold meats, cheese and a range of

spreads, with fruit juice, tea or coffee to drink. It is rare to get a hot breakfast in continental Europe, though on some occasions there may be some hot food available as well.

Included evening meals are in local restaurants or accommodation places, and are either two or three courses. In most cases table water is provided with the meals, and if you wish to purchase additional drinks you can do so at your own expense.

If you have any dietary requirements we will make every effort to cater to your specific needs as long as you advise your travel agent or Customer Service Consultant when you book, or make note of this in the Topdeck App when you check in (refer below). However, please be aware that although we will do everything in our power to arrange it, we cannot guarantee that every restaurant we use will be able to cater to all dietary needs, particularly in Eastern Europe. We also cannot cater for tastes or dislikes, as most of our included evening meals feature a set menu.

Topdeck Travel App

Our travel app is **AVAILABLE TO DOWNLOAD BEFORE YOU TRAVEL**. With a range of cool features including a Currency Converter, Budget Planner, Check-In tool and Social Timeline (so your next #TravelEnvy post is never too far away) you can plan your trip like a pro.

Think of it like your very own Topdeck Trip Leader, always on call with the latest info, weather, maps and city guides to give you the trip of a lifetime, all in the palm of your hand.

Passenger safety

One of the best parts of travelling is experiencing the nightlife and entertainment each city has to offer. However, amidst the fun and excitement, it's important to be aware of your surroundings and personal safety as well. Before you hit the road with us, be sure to familiarise yourself with the following safety information.

When you're on a night out, remember to avoid walking alone, particularly through deserted areas like beaches and back streets. Always stick together, take a registered taxi where possible, and keep a note of your accommodation details so you can find your way back to your fellow Topdeckers if you become separated. It's also a good idea to get your Topdeck trip mates' mobile numbers in case you need to get hold of them while out and about.

In some countries, alcoholic measures can be considerably larger than what you may be used to. Try to keep track of what you're drinking, and if you see one of your trip mates looking a little worse for wear, take them back to your accommodation. Never leave your drink unattended.

It's also important to be aware that what you might consider harmless flirting may be interpreted differently in some countries. Be yourself and have fun, but stay savvy – you don't want to find yourself in an uncomfortable situation.
