DAY 1 | LONDON TO LIVERPOOL, ENGLAND

From the buzz of London to Liverpool, aka the home of The Beatles. On the way, we'll check out Oxford, which is world famous for its awesome university. In the evening, we'll get to know each other over a welcome dinner in Liverpool.

- + Dinner

DAY 2 | LIVERPOOL TO YORK

From Liverpool to the medieval walled city of York. With a real historic feel, this quaint town has a stunning Gothic cathedral, narrow streets and wooden-beamed houses. Head off exploring today.

MEALS:

DAY 3 | YORK TO EDINBURGH, SCOTLAND

Spread your wings and take a selfie under the Angel of the North before we hit up Hadrian's Wall. Then get your daily dose of Gothic architecture at Alnwick Castle before we reach Edinburgh tonight for a local pub feast (think: haggis, real ale and endless malts). End your day by getting (or losing) your bearings on an optional pub crawl. When in Rome! Or Edinburgh, for that matter.

- + See the Angel of the North

OPTIONAL ACTIVITIES:

Get oriented in Scotland's Brooklyn on a walking tour before exploring Glasgow with your new trip mates. Merchant City's got that sophisticated cool, while Ashton Lane is ruggedly cool in that student budget kind of way. Fill up on something hearty before the afternoon's distillery tour (optional). Wouldn't want an empty stomach keeping you from tasting the Scottish water of life (read: whisky). Tonight, hunt down the best battered Mars bar for a taste of a true local delicacy.

 MEALS:	 INCLUDED TODAY:	 OPTIONAL ACTIVITIES:
+ Breakfast	+ Walking tour of Glasgow	+ Whisky distillery tour

DAY 7 | GLASGOW

Our trip may end after breakfast but Glasgow awaits. Stick around to explore some more of what this cool city has to offer.

Meals

Breakfasts are included every day in the hotel (except on the first morning). They are usually 'continental breakfasts', which are typical in most European countries. A typical breakfast may consist of cereals with milk or yoghurt, bread, croissants, cold meats, cheese and a range of spreads, with fruit juice, tea or coffee to drink. It is rare to get a hot breakfast in continental Europe, though on some occasions there may be some hot food available as well.

Included evening meals are in local restaurants or accommodation places, and are either two or three courses. In most cases table water is provided with the meals, and if you wish to purchase additional drinks you can do so at your own expense.

If you have any dietary requirements we will make every effort to cater to your specific needs as long as you advise your travel agent or Customer Service Consultant when you book, or make note of this in the Topdeck App when you check in (refer below). However, please be aware that although we will do everything in our power to arrange it, we cannot guarantee that every restaurant we use will be able to cater to all dietary needs, particularly in Eastern Europe. We also cannot cater for tastes or dislikes, as most of our included evening meals feature a set menu.

Topdeck Travel App

Our travel app is **AVAILABLE TO DOWNLOAD BEFORE YOU TRAVEL**. With a range of cool features including a Currency Converter, Budget Planner, Check-In tool and Social Timeline (so your next #TravelEnvy post is never too far away) you can plan your trip like a pro.

Think of it like your very own Topdeck Trip Leader, always on call with the latest info, weather, maps and city guides to give you the trip of a lifetime, all in the palm of your hand.

Passenger safety

One of the best parts of travelling is experiencing the nightlife and entertainment each city has to offer. However, amidst the fun and excitement, it's important to be aware of your surroundings and personal safety as well. Before you hit the road with us, be sure to familiarise yourself with the following safety information.

When you're on a night out, remember to avoid walking alone, particularly through deserted areas like beaches and back streets. Always stick together, take a registered taxi where possible, and keep a note of your accommodation details so you can find your way back to your fellow Topdeckers if you become separated. It's also a good idea to get your Topdeck trip mates' mobile numbers in case you need to get hold of them while out and about.

In some countries, alcoholic measures can be considerably larger than what you may be used to. Try to keep track of what you're drinking, and if you see one of your trip mates looking a little worse for wear, take them back to your accommodation. Never leave your drink unattended.

It's also important to be aware that what you might consider harmless flirting may be interpreted differently in some countries. Be yourself and have fun, but stay savvy – you don't want to find yourself in an uncomfortable situation.
