For example, daily spending money and clothing lists can vary greatly from one person to the next so don't be alarmed if you don't expect to spend (or even wear) so much! However, we're sure you'll find the information in general to be very useful.

Meals

Your Stopover package includes breakfast every morning at the hotel, plus a delicious BBQ dinner in the desert as part of your included desert safari experience.

For your non-included meals, Dubai features a wide range of dining options from very cheap local and Western fast food to very expensive world class restaurants, and almost every imaginable type of cuisine! Go forth and explore to your own tastes. Bon appetit!

Important note on Ramadan: As many Middle Eastern countries are of Islamic faith, it is important to remember that many restaurants and shops will either be closed or operating on reduced hours during this time. Some Optional and Included Activities may also be affected. Despite some of these restraints, Ramadan is an incredibly important and sacred month for Muslims. When equipped with some basic knowledge, you'll have the chance to immerse yourself in this special tradition and experience all its highlights.

Passenger safety

One of the best parts of travelling is experiencing the nightlife and entertainment each city has to offer. However, amidst the fun and excitement, it's important to be aware of your surroundings and personal safety as well. Before you hit the road with us, be sure to familiarise yourself with the following safety information.

When you're on a night out, remember to avoid walking alone, particularly through deserted areas like beaches and back streets. Always stick together, take a registered taxi where possible, and keep a note of your accommodation details so you can find your way back to your fellow Topdeckers if you become separated. It's also a good idea to get your Topdeck trip mates' mobile numbers in case you need to get hold of them while out and about.

In some countries, alcoholic measures can be considerably larger than what you may be used to. Try to keep track of what you're drinking, and if you see one of your trip mates looking a little worse for wear, take them back to your accommodation. Never leave your drink unattended.

It's also important to be aware that what you might consider harmless flirting may be interpreted differently in some countries. Be yourself and have fun, but stay savvy – you don't want to find yourself in an uncomfortable situation.
