Meals

Breakfasts are included every day on most trips (except on the first morning). A typical breakfast may consist of cereals with milk or yoghurt, bread, croissants, cold meats, cheese and a range of spreads, with fruit juice, tea or coffee to drink. It is rare to get a hot breakfast, though on some occasions there may be some hot food available as well.

Included evening meals are in local restaurants or your place of accommodation. In most cases table water is provided with the meals, and if you wish to purchase additional drinks you can do so at your own expense.

If you have any dietary requirements we will make every effort to cater to your specific needs as long as you advise your travel agent or Topdeck Customer Service Consultant when you book. But please be aware that although we will do everything in our power to arrange it, we cannot guarantee that every restaurant we use will be able to cater to all dietary needs. We also cannot cater for tastes or dislikes, as most of our included evening meals feature a set menu.

Your included meals are detailed in the 'More Inclusions' section of this document.

Important note on Ramadan: As many Middle Eastern countries are of Islamic faith, it is important to remember that many restaurants and shops will either be closed or operating on reduced hours during this time. Some Optional and Included Activities may also be affected. Despite some of these restraints, Ramadan is an incredibly important and sacred month for Muslims. When equipped with some basic knowledge, you'll have the chance to immerse yourself in this special tradition and experience all its highlights.

Passenger safety

One of the best parts of travelling is experiencing the nightlife and entertainment each city has to offer. However, amidst the fun and excitement, it's important to be aware of your surroundings and personal safety as well. Before you hit the road with us, be sure to familiarise yourself with the following safety information.

When you're on a night out, remember to avoid walking alone, particularly through deserted areas like beaches and back streets. Always stick together, take a registered taxi where possible, and keep a note of your accommodation details so you can find your way back to your fellow Topdeckers if you become separated. It's also a good idea to get your Topdeck trip mates' mobile numbers in case you need to get hold of them while out and about.

In some countries, alcoholic measures can be considerably larger than what you may be used to. Try to keep track of what you're drinking, and if you see one of your trip mates looking a little worse for wear, take them back to your accommodation. Never leave your drink unattended.

It's also important to be aware that what you might consider harmless flirting may be interpreted differently in some countries. Be yourself and have fun, but stay savvy – you don't want to find yourself in an uncomfortable situation.
