# YOUR ITINERARY

## DAY 1 | AMMAN, JORDAN

Touch down in one of the oldest cities in existence. Ready to experience the new and exotic? Thought so. Spot your Topdeck Rep at the airport (hint: they're holding a placard with your name on it). Dump your stuff at the hotel and meet your fellow explorers. We might be a mixed bunch but we're all in it together. Hungry? That's lucky – tonight's our first chance to sample some lip-smacking local eats at an included group dinner.

### MEALS:

+ Dinner

### INCLUDED TODAY:

+ Airport transfer

## DAY 2 | AMMAN TO PETRA, VIA MADABA, MT NEBO AND KARAK

Rise and shine! We're off to the Lost City after breakfast. But it's not just about the destination – the road to Petra is gonna be amazing. First? Madaba: the site of an ancient holy map that's so detailed it puts Google Maps to shame. Check out the vibrantly coloured and intricately detailed Byzantine-era mosaics scattered across the city before we take in allllll the views of the Promise Land from Mt Nebo. Seen Kingdom of Heaven? Channel your inner Orlando Bloom as we storm through the Crusader stronghold of Karak Castle. And to round it all off? Experience Petra – by night. Opt for a goosebump-inducing walk down the dark ravine, following the sound of traditional music and the soft glow of a candle-lit desert floor. Awesome is an understatement.

### MEALS:

+ Breakfast

### INCLUDED TODAY:

+ Visit Madaba

+ Visit Mt Nebo

+ Visit Karak Castle

### OPTIONAL ACTIVITIES:

+ Petra by Night tour: from 25  
USD

## DAY 3 | PETRA

Words can't describe how breathtaking this place is, so why would we try? Spend the whole day uncovering the magic of the Lost City and learn why people have been drawn to this place since 312 BC. With towering burning-red cliff faces and a façade made famous by Indiana Jones, this place rocks (sorry not sorry). Get your bearings on an orientation walk with our expert Trip Leader. Then: the rest of the day is yours to explore. Just be back in time for tonight's optional dinner – a delicious traditional meal of maqluba with a local family. This is as authentic as it gets.

### INCLUDED TODAY:

+ Orientation walk of Petra with  
Trip Leader

### OPTIONAL ACTIVITIES:

+ Dinner with a local family in  
Petra: from 20 USD

## DAY 4 | PETRA TO WADI RUM

Back in the day, camels were the go-to way to cross the desert. But we've got a more buttock-friendly transport option today as we switch the coach for a 4X4 and venture across The Valley of the Moon to our traditional Bedouin Camp in the heart of the Jordanian desert. If you want to see if Alice really does have two humps, there's an optional ride on offer today. Or just sit back and take it all in. This is your moment. Tonight's included dinner is brought to you by one of the world's most ancient nomadic tribes – tuck in around the camp fire and learn all about Bedouin life with your trip mates. We're spending the night under the best-looking night sky you've ever laid eyes on. Heck yes!

### MEALS:

- + Breakfast
- + Dinner

### INCLUDED TODAY:

- + Wadi Rum 4x4 excursion
- + Stay overnight in Bedouin desert camp

### OPTIONAL ACTIVITIES:

- + Camel ride: from 20 USD

## DAY 5 | WADI RUM TO AQABA

From a sea of burnt-red sand to well, the actual sea – we're making tracks to Jordan's only coastal city. Dating back to 4,000 BC, Aqaba's located smack-bang in the middle of the Red Sea, with temps rarely dropping below 20°C. Meaning? It's THE place for diving, snorkelling and Nemo-spotting. And you've got the whole afternoon to do just that. Scuba dive around sunken military tanks, transport planes and Lebanese freighters. Make friends with flashy fish, colourful coral and green turtles (maybe). Then, gather the gang for a shawarma (Jordanian kebab) and sunset on the beach. This is livin'.

### MEALS:

- + Breakfast

### OPTIONAL ACTIVITIES:

- + Diving in Aqaba: prices available locally
- + Snorkelling in Aqaba: from 25 USD

## DAY 6 | AQABA TO AMMAN, VIA THE DEAD SEA

Ready to tick "bob on top of the Dead Sea" off your bucket list? Today is your day. At 427 m below sea level (the lowest point on Earth), the Dead Sea is so salty you can float weightlessly around like last night's second helping of shawarma didn't happen. Tip: avoid shaving your legs, face or other... parts before your swim. Sh\*t stings! Give yourself a free spa treatment with the mineral-laden mud. Snap a pic for mum. And pile back on the coach – we're heading back to Amman for an education in the Roman, Byzantine AND Umayyad empires that have left their mark on this place. Check out the Roman Amphitheatre, Citadel and melting pot of ancient historical sites on a walking tour with your fact-filled Trip Leader before heading downtown for a falafel feed.

### MEALS:

- + Breakfast

### INCLUDED TODAY:

- + Float in the Dead Sea
- + Walking tour of Amman with Trip Leader

## DAY 7 | AMMAN, INCLUDING JERASH

Crank the history knob to 11 with a visit to Jerash – home to a bunch of Greco-Roman highlights, including a hippodrome which was used for chariot racing (and has nothing to do with hippos). Check out Hadrian's Arch and the Temple of Zeus. Stroll down the columned cardo maximus. Then find a fallen column to rest up on and enjoy the jaw-dropping views. Not continuing the adventure in Israel? Wave farewell to the trip mates who are travelling on. Back in Amman, the afternoon is yours. Head downtown for all the ancient city vibes. Take a coffee break in the hip area of Jabal Al Lweibdeh. Or check out the thriving contemporary art scene in Jabal Amman. And tonight? We'll give this incred trip the send-off it deserves with one final group dinner at a local eatery.

### MEALS:

- + Breakfast
- + Dinner

### INCLUDED TODAY:

- + See the Roman ruins of Jerash

## DAY 8 | AMMAN

Down your pomegranate juice and brush away those tears – we'll say our goodbyes after breakfast. WHAT an adventure it's been. Swap those Insta handles and pencil in next year's reunion trip.

### MEALS:

- + Breakfast

# **PASSENGER SAFETY**

## **NIGHTS OUT**

One of the best parts of travelling is experiencing the nightlife and entertainment each city has to offer. However, amidst the fun and excitement, it's important to be aware of your surroundings and personal safety as well. Before you hit the road with us, be sure to familiarise yourself with the following safety information.

When you're on a night out, remember to avoid walking alone, particularly through deserted areas like beaches and back streets. Always stick together, take a registered taxi where possible, and keep a note of your accommodation details so you can find your way back to your fellow Topdeckers if you become separated. It's also a good idea to get your Topdeck trip mates' mobile numbers in case you need to get hold of them while out and about.

In some countries, alcoholic measures can be considerably larger than what you may be used to. Try to keep track of what you're drinking, and if you see one of your trip mates looking a little worse for wear, take them back to your accommodation. Never leave your drink unattended.

It's also important to be aware that what you might consider harmless flirting may be interpreted differently in some countries. Be yourself and have fun, but stay savvy – you don't want to find yourself in an uncomfortable situation.

## **RESPECTING FELLOW PASSENGERS**

Here at Topdeck, we're all about inclusivity. We want to make sure that everyone has a great time on our trips, and that everyone feels like they're part of one happy Topdeck family.

What we're not about is excluding people or making them feel like they don't belong – that's just not what families do. That's why we always encourage Topdeckers to be kind and courteous to their fellow passengers. The golden rules? Always remember to respect each other's space, be mindful of causing excessive noise in shared accommodation and treat others how you'd wish to be treated yourself. Easy!

## **DRUG USE**

Topdeck has a strict zero-tolerance drug policy. Passengers should not bring any illegal substances onto the Topdeck coach or into any of the accommodation we stay in on our trips. This includes marijuana, even if it is legal in some of the states your trip passes through. If you are found in possession of drugs, you will be removed from the trip. All

instances of drug possession will be reported to Topdeck Head Office, who may consider alerting the relevant authorities.

**REMEMBER** – if you are found in possession of drugs, not only could you risk getting in trouble with the local police, but our Driver will also be held responsible if drugs are found on the Topdeck coach. Trust us, you wouldn't want that to happen to any of our Drivers – they're awesome.

## **MENTAL HEALTH AND WELLBEING**

Culture shock, homesickness, random periods of feeling down – these things happen and are totally normal. You can rest assured that if you're feeling low, your Topdeck crew will do their utmost to cheer you up again.

Measures you can take to look after your mental health and wellbeing while on the road with us are:

- + Call home. Sometimes it's nice to hear a familiar voice and have a good old-fashioned catch up with your loved ones
- + Eat well. Never underestimate the power of a good, wholesome meal. Nobody feels at their best when they're hungry!
- + Drink responsibly. Not only will you swerve the dreaded hangover, but by keeping an eye on what you drink, you could also avoid getting into any potentially uncomfortable situations
- + Talk to your Trip Leader. Don't forget, they're probably far from home, too – so they're sure to know of some tried-and-tested ways to beat the blues
- + Integrate with your fellow Topdeckers. This one is key! The more fun you're having on your trip, the less likely you are to feel homesick (trust us).

## **HOW TO BE A RESPONSIBLE TRAVELLER**

Responsible travel isn't difficult to achieve. With a little conscious thought and preparation, you can have an awesome holiday AND have a positive impact on the places you visit. Sweet!

Here are five things you can do to ensure you're travelling responsibly:

- + Conserve water. You know the drill – reuse your hotel towels, take short showers and remember to turn off the tap when you're brushing your teeth
- + Reduce your waste. Ditch the plastic bag, refuse unnecessary packaging, dispose of your waste responsibly and recycle as much as possible
- + Go local. Hunt down locally owned and operated restaurants and bars, shop in local markets and book tours and activities run by local guides
- + Consider the wildlife. Avoid any attractions that involve closely engaging with wild animals
- + Respect local people and culture. Obeying local laws is a given – but also remember to dress and behave in a manner appropriate to the community. Be polite and keep an open mind!

# **OTHER INFORMATION**

## **INSURANCE**

Before your trip departs, it's compulsory for all passengers to take out comprehensive travel insurance covering cancellation, medical expenses (including repatriation), loss or damage to baggage and personal belongings, money and personal liability.

World Nomads provides comprehensive travel insurance for people from over 140 countries. For more information, visit [www.topdeck.travel/travel-insurance](http://www.topdeck.travel/travel-insurance).

# PASSPORTS AND VISAS

Please make sure your passport is valid for at least six months after the last day of your trip. Some countries will refuse entry if you do not have at least six months validity remaining on your passport after your departure date. Depending on your nationality, you may require a visa to enter certain countries.

It is your responsibility to obtain visas prior to your trip departure. To determine which visas you'll need, you can consult either your own government's website or the government websites of the countries in which you will be travelling.

**PLEASE NOTE:** Some visas can take up to six weeks to acquire, so don't leave it until the last minute. Also, bear in mind that the validity of a visa often runs from its date of issue rather than the date of entry into the country. Please check with the appropriate embassy/embassies prior to departure, as requirements do change periodically.
