Please do bear in mind though, some points should be taken as a guide only - after all, everyone's different! ## DAY 1 | LOS ANGELES

This is L.A, baby. Start your day the right way with a trip to Venice Beach by hitching a ride on the Metro Bus (don't forget your swimmers.) Wait, have you worked out yet? You can flex at the famous Gold's Gym or Muscle Beach and babe-watch all afternoon. Want more? Hire a bike and peddle the path to Santa Monica, sip on a green smoothie and buy a cheesy souvenir from one of the street-front market stalls. Are you head over heels for LA yet?

## DAY 2 | LOS ANGELES

After brekkie, it's go time! Think an animal safari is fun? Try a celeb safari - that's right, jump on a sightseeing bus tour and see if you can hunt down some of the world's biggest stars. Think you've gone full tourist? Think again. It's time to walk the Hollywood Walk of Fame. From Robin Williams (\*tear\*) to Britney - who will you take a star selfie with?

### INCLUDED TODAY:

+ L.A Hop-On Hop Off Tour

## DAY 3 | LOS ANGELES

Some advice: have a light breakfast, 'coz two words = In&Out Burger. Today is the ultimate cheat day, and it's gonna be AWESOME. If the best burger ever with fries isn't your thang, then march on down to the LA institution, Pink's Hot Dogs. Next up, make your own way to Universal Studios (aka the funnest place on the planet) and go wild with all the souvenirs you can possibly handle. And take it from us - splurge for the 'Front of the Line pass'. You'll thank us later.

+ Breakfast

## DAY 4 | LOS ANGELES

What - your last day in LA? Well you might as well work off yesterday's session with a hike up Runyon Canyon. While you're in the area, get acquainted with the cosmos at Griffith Observatory - worth it for the views of sprawling LA alone, let alone the universe. Take a big breath before jumping in your optional airport shuttle bus and legging it to LAX. You'll need time to clear customs with all your Rodeo Drive purchases.

## *Passenger safety*

One of the best parts of travelling is experiencing the nightlife and entertainment each city has to offer. However, amidst the fun and excitement, it's important to be aware of your surroundings and personal safety as well. Before you hit the road with us, be sure to familiarise yourself with the following safety information.

When you're on a night out, remember to avoid walking alone, particularly through deserted areas like beaches and back streets. Always stick together, take a registered taxi where possible, and keep a note of your accommodation details so you can find your way back to your fellow Topdeckers if you become separated. It's also a good idea to get your Topdeck trip mates' mobile numbers in case you need to get hold of them while out and about.

In some countries, alcoholic measures can be considerably larger than what you may be used to. Try to keep track of what you're drinking, and if you see one of your trip mates looking a little worse for wear, take them back to your accommodation. Never leave your drink unattended.

It's also important to be aware that what you might consider harmless flirting may be interpreted differently in some countries. Be yourself and have fun, but stay savvy – you don't want to find yourself in an uncomfortable situation.
