Your Itinerary

DAY 1 | NEW YORK CITY

It's official: you've arrived. Hellooooo NYC! Wait – are those sirens? You better get used to it. This city likes to make a scene. Will you make your mark in Manhattan, or bound over to Brooklyn? Today, the city is yours. Hot tip: walk FAST. New Yorkers don't like dawdlers!

DAY 2 | NEW YORK CITY

Rise and shine! It's exploring time. Gulp down that coffee and scoff that bagel (everything with cream cheese, please) and hit the streets. Wanna get the ultimate city selfie? Ride the lift sky-high to the Top of the Rock building. Next, go on a burger hunt all the way to Shake Shack at Madison Square Park. Once you've decided this is the best burger you've ever put in your mouth, walk it off with a stroll to Times Square.

MEALS:

+ Breakfast

DAY 3 | NEW YORK CITY

After breakfast, you should get the hell outta Manhattan and head over to hipster-ville (aka Williamsburg). Thrift shop your way through the suburb or plonk yourself on a park bench, sip on a green smoothie and people watch. Stop for lunch at the immensely popular Grimaldi's for a taste of true NYC-style pizza. Afterwards, why not take a walk along the Brooklyn Bridge back to Manhattan? Man, the city looks good from here.

MEALS:

+ Breakfast

DAY 4 | NEW YORK CITY

Spend your last day in NYC the right way by making a beeline for Magnolia Cupcakes and getting the sugar hit you deserve. Next, spend your last New York minutes in Central Park. Flick out a blanket and lie down with a hot dog and soda pop before home time.

Passenger safety

One of the best parts of travelling is experiencing the nightlife and entertainment each city has to offer. However, amidst the fun and excitement, it's important to be aware of your surroundings and personal safety as well. Before you hit the road with us, be sure to familiarise yourself with the following safety information.

When you're on a night out, remember to avoid walking alone, particularly through deserted areas like beaches and back streets. Always stick together, take a registered taxi where possible, and keep a note of your accommodation details so you can find your way back to your fellow Topdeckers if you become separated. It's also a good idea to get your Topdeck trip mates' mobile numbers in case you need to get hold of them while out and about.

In some countries, alcoholic measures can be considerably larger than what you may be used to. Try to keep track of what you're drinking, and if you see one of your trip mates looking a little worse for wear, take them back to your accommodation. Never leave your drink unattended.

It's also important to be aware that what you might consider harmless flirting may be interpreted differently in some countries. Be yourself and have fun, but stay savvy – you don't want to find yourself in an uncomfortable situation.
