DAY 9 | LAS VEGAS

Vegas is cheesier than a stuffed crust pizza but that's what's so awesome about it. Our trip ends this morning – will you put everything on the line to stay a few more days?

Meals

Please note that drinks are not included with meals, except at breakfast where coffee, tea and/or juice may be included. If you wish to purchase drinks at dinner you may do so at your own expense.

If you have any dietary requirements we will make every effort to cater to your specific needs as long as you advise your travel agent or Topdeck Trip Consultant when you book. But please be aware that although we will do everything in our power to arrange it, we cannot guarantee that every restaurant we use will be able to cater to all dietary needs. We cannot cater for tastes or dislikes, as most of our included evening meals feature a set menu.

Tipping

Your Topdeck crew never expect tips themselves and will not ask for any; that's not what friends do! We also know how much tipping can cost you. So go ahead, spoil yourself with the money you will save by travelling with Topdeck (just don't forget Mum's souvenir).

Topdeck Travel App

Our travel app is **AVAILABLE TO DOWNLOAD BEFORE YOU TRAVEL**. With a range of cool features including a Currency Converter, Budget Planner, Check-In tool and Social Timeline (so your next #TravelEnvy post is never too far away) you can plan your trip like a pro.

Think of it like your very own Topdeck Trip Leader, always on call with the latest info, weather, maps and city guides to give you the trip of a lifetime, all in the palm of your hand.

Passenger safety

One of the best parts of travelling is experiencing the nightlife and entertainment each city has to offer. However, amidst the fun and excitement, it's important to be aware of your surroundings and personal safety as well. Before you hit the road with us, it's important to be aware of the following:

When you're on a night out, remember to avoid walking alone, particularly through deserted areas like beaches and back streets. Always stick together, take a taxi where possible, and keep a note of your accommodation details so you can find your way back to your fellow Topdeckers if you become separated.

In some countries, alcoholic measures can be considerably larger than what you may be used to. Try to keep track of what you're drinking, and if you see one of your trip mates looking a little worse for wear, take them back to your accommodation. Be cautious when accepting drinks from strangers and never leave your drink unattended.

It's also important to be aware that what you might consider harmless flirting may be interpreted differently in some countries. Be yourself and have fun, but don't be naïve, and be mindful of the signals you are sending out so that you don't find yourself in an uncomfortable situation.
