WINTER VEGAS TRAIL

TRIP CODE:

UESWVL-8

Topdecker, MEET NORTH AMERICA

Experience the kind of 'California love' that rappers spit rhymes about on this eight-day winter jaunt from fabulously flashy Vegas to the bay city of San Francisco. After making it rain in the City of Sin, venture northbound to Lake Tahoe where you can snowboard off the hangover in true alpine style, before cutting across to San Fran to mix with the free spirited folk at Haight-Ashbury and the sociable seals at Pier 39. Feeling inspired? We bet your Reese's Pieces you are.

DAY 2 | LAS VEGAS

If you do manage to wake up this morning without a kidnapped tiger in your room, and with all your teeth, you obviously didn't do it right. But that's probs just as well as where else in the world can you take a gondola ride down a Venice canal, see the Pyramids of Giza and the Eiffel Tower, all before lunchtime? Can you say 'best day ever'? Yep, it's as cheesy as a stuffed-crust pizza, but it is also really cool. Later on suit up, stroll in and put it all on 'black' like the high roller you are! Just remember, what happens in Vegas? Optional activities: -Heli-tour over the Las Vegas Strip-Entry to the High Roller Observation Wheel -Shooting range experience

DAY 3 | LAS VEGAS TO LAKE TAHOE

NOTE: If you want a jail pass to visit Alcatraz in San Francisco, make sure you book BEFORE you begin the trip. You won't have time to do the tour today so save it for tomorrow.

Passenger safety

One of the best parts of travelling is experiencing the nightlife and entertainment each city has to offer. However, amidst the fun and excitement, it's important to be aware of your surroundings and personal safety as well. Before you hit the road with us, be sure to familiarise yourself with the following safety information.

When you're on a night out, remember to avoid walking alone, particularly through deserted areas like beaches and back streets. Always stick together, take a registered taxi where possible, and keep a note of your accommodation details so you can find your way back to your fellow Topdeckers if you become separated. It's also a good idea to get your Topdeck trip mates' mobile numbers in case you need to get hold of them while out and about.

In some countries, alcoholic measures can be considerably larger than what you may be used to. Try to keep track of what you're drinking, and if you see one of your trip mates looking a little worse for wear, take them back to your accommodation. Never leave your drink unattended.

It's also important to be aware that what you might consider harmless flirting may be interpreted differently in some countries. Be yourself and have fun, but stay savvy – you don't want to find yourself in an uncomfortable situation.
