DAY 3 | BANFF

Banff is National Geographic on steroids - all snow-capped peaks and sky-mirroring lakes. You won't be short of things to do here!

DAY 4 | BANFF TO JASPER NATIONAL PARK

Check out Lake Louise and Lake Moraine as we do the old National Park switcheroo: it's bye-bye Banff, and hello Jasper! Get all up on the Athabasca Glacier with a Snow Coach tour, then hit the hot springs to defrost. Anyone for an optional bike ride? That'll be a yes.

INCLUDED TODAY:

+ Entry to Jasper National Park
+ Athabasca Glacier tour

DAY 5 | JASPER

From its wildlife-filled forests to its lakes, waterfalls and mountains, Jasper National Park is just begging to be explored - so take the option to hire a bike and see how much land you can cover. When you're done, we've got an included trip to the hot springs to help soothe your muscles. Ahhhh.

+ Breakfast	+ Entry to hot springs	+ Bike Hire

DAY 6 | JASPER TO SUN PEAKS, BRITISH COLUMBIA

You'll have just enough time to take a selfie with a mountain goat statue and spot the moose near Moose Lake before our date with Sun Peaks. Surrounded by mountains and full of cool little shops and restaurants, this place is like a little slice of Europe in the middle of Canada.

 MEALS:
+ Breakfast
+ Dinner

DAY 7 | SUN PEAKS TO WHISTLER

Pass through the small towns and Indigenous communities of British Columbia en route to Whistler. It's the holy grail of ski resorts, but you'll be surprised at how much more there is to do when the snow melts. Did someone say nightlife tour?

 MEALS:
+ Dinner

DAY 8 | WHISTLER

Summer is the new winter in Whistler (which is so named for the whistling hoary marmot that lives here. True story). Get involved in a spot of optional mountain biking or ziplining - or work on your tan at the beach (seriously) with the other off-season ski bunnies. Don't forget to keep your eyes peeled for bears as you explore the mountains!

 OPTIONAL ACTIVITIES:
+ Nightlife tour
+ Bike hire
+ Ziplining

DAY 9 | WHISTLER

On the third day, Whistler created five lakes to dip your toe in, a gondola lift to enjoy the view from, countless spas to relieve your stress (four-handed massage, anyone?) and enough cafés, boutiques and galleries to max out your credit card. Have fun, the day is yours to explore.

DAY 10 | WHISTLER TO VANCOUVER

After passing Brandywine and Shannon Falls, we'll wrap up our trip along the scenic Sea to Sky Highway to Vancouver. Cue sad faces and goodbyes. Or, you could always stick together and head straight to one of the 40-plus brew houses in this craft beer capital. Just sayin'!

Passenger safety

One of the best parts of travelling is experiencing the nightlife and entertainment each city has to offer. However, amidst the fun and excitement, it's important to be aware of your surroundings and personal safety as well. Before you hit the road with us, be sure to familiarise yourself with the following safety information.

When you're on a night out, remember to avoid walking alone, particularly through deserted areas like beaches and back streets. Always stick together, take a registered taxi where possible, and keep a note of your accommodation details so you can find your way back to your fellow Topdeckers if you become separated. It's also a good idea to get your Topdeck trip mates' mobile numbers in case you need to get hold of them while out and about.

In some countries, alcoholic measures can be considerably larger than what you may be used to. Try to keep track of what you're drinking, and if you see one of your trip mates looking a little worse for wear, take them back to your accommodation. Never leave your drink unattended.

It's also important to be aware that what you might consider harmless flirting may be interpreted differently in some countries. Be yourself and have fun, but stay savvy – you don't want to find yourself in an uncomfortable situation.
