DAY 1 | CAPE TOWN, SOUTH AFRICA

Overlooked by Table Mountain and bordered by the Atlantic, Cape Town is one of the world's most picturesque cities. Settle in and flex your freedom - today is yours to explore! Our suggestion: make your way to the one and only Table Mountain, or jump in a cable car and reach new heights for some awesome city views.

INCLUDED TODAY:

DAY 2 | CAPE TOWN

Rise and shine - it's day tour time! Leave the city for dust as we kick it to the seaside areas of Clifton, Camps Bay and Hout Bay before reaching the Cape of Good Hope. If you're lucky you might even spot a penguin (or two?) - and maybe a few great white sharks! On the way back to the hostel, we'll roll through the Constantia Valley to one of the oldest wine farms outside of Europe. Phew, what a day!

Passenger safety

One of the best parts of travelling is experiencing the nightlife and entertainment each city has to offer. However, amidst the fun and excitement, it's important to be aware of your surroundings and personal safety as well. Before you hit the road with us, be sure to familiarise yourself with the following safety information.

When you're on a night out, remember to avoid walking alone, particularly through deserted areas like beaches and back streets. Always stick together, take a registered taxi where possible, and keep a note of your accommodation details so you can find your way back to your fellow Topdeckers if you become separated. It's also a good idea to get your Topdeck trip mates' mobile numbers in case you need to get hold of them while out and about.

In some countries, alcoholic measures can be considerably larger than what you may be used to. Try to keep track of what you're drinking, and if you see one of your trip mates looking a little worse for wear, take them back to your accommodation. Never leave your drink unattended.

It's also important to be aware that what you might consider harmless flirting may be interpreted differently in some countries. Be yourself and have fun, but stay savvy – you don't want to find yourself in an uncomfortable situation.
